Please see question below. Is it sponsored by BID or CD-15?

Hi Lauren, Is the Council Office asking if the BID is considered "government" for purposes of the LAMC? Because BIDS are not governmental entities and not part of the City.

Hi Noreen:

This is Lauren Halligan, Neighborhood Prosecutor for Harbor. We have a question from CD-15 (sponsor of event below) and the BID Executive Director regarding an LAMC section. See below emails and attachments. Would you be the person to assist them or if it is someone else, please let me know. Thank you!

Good morning,

I would really like some assistance in interpreting LAMC Chapter 11, Article 5 Section 115.05 that excludes governmental agencies from the noise ordinance.

I've attached our permit showing that this is a City-sponsored event. In fact, the City will be paying for the street closure permit.

I hope to resolve this issue prior to our event.

Thank you for your assistance.

Best regards,

Lorena Parker

Lorena,

Regarding the Dia de Los Muertos event that the BID is planning for Oct 29...
I have marked up the event map that you sent with the legal sound radius
(200 feet) that the stage is allowed.

Based on last year's event when the Dia stage could be heard from over
1200 feet from the source of the noise, you and your production company
are going to have to make a substantial effort to remain within the
constraints set out in the Los Angeles Municipal Code 115.02.

If you do not make the necessary effort to remain legal in regards to the
amplified sound produced by your event, I will work with the LAPD to bring
the sound stage into compliance. If your sound stage will not voluntarily
comply with the noise ordinance on the first request, then arrests will be
made of any individual (musician, sound engineer or event supervisor) that
does not comply.

Please make your production company and performers aware of the
requirements of the applicable noise ordinance and the consequences of
violations prior to the event.

Bruce Ecker

SEC. 115.02. PROHIBITION AND REGULATIONS.

It shall be unlawful for any person, other than personnel of law enforcement or governmental agencies, or permittees duly authorized to use the same pursuant to Sec. 103.111 of this Code, to install, use, or operate within the City a loudspeaker or sound amplifying equipment in a fixed or movable position or mounted upon any sound truck for the purposes of giving instructions, directions, talks, addresses, lectures, or transmitting music to any persons or assemblages of persons in or upon any public street, alley, sidewalk, park or place, or other public property except when installed, used or operated in compliance with the following provisions:

(a) In all residential zones and within 500 feet thereof, no sound amplifying equipment shall be installed, operated or used for commercial purposes at any time.

(b) The operation or use of sound amplifying equipment for noncommercial purposes in all residential zones and within 500 feet thereof, except when used for regularly scheduled operative functions by any school or for the usual and customary purposes of any church, is prohibited between the hours of 4:30 p.m. and 9:00 a.m. of the following day.

(c) In all other zones, except such portions thereof as may be included within 500 feet of any residential zone, the operation or use of sound amplifying equipment for commercial purposes is prohibited between the hours of 9:00 p.m. and 8:00 a.m. of the following day.

(d) In all other zones, except such portions thereof as may be included within 500 feet of any residential zone, the operation or use of sound amplifying equipment for noncommercial purposes is prohibited between the hours of 10:00 p.m. and 7:00 a.m. of the following day.

(e) The only sounds permitted shall be either music, human speech, or both.

(f) Sound emanating from sound amplifying equipment shall be limited in volume, tone and intensity as follows:

1. The sound shall not be audible at a distance in excess of 200 feet from the sound equipment.
